

Sponsored and hosted by Century High School Football, the Rochester Area Youth Football Camp is open to ALL kids in Rochester and the surrounding areas that will be in grades 4-8 for the 2016-2017 school year!! This camp will provide young athletes of all experience levels an opportunity to develop the basic fundamentals of being a complete football player.

The camp will be a fun four-day event where individual instruction & competitive drills will be implemented to make the camp experience informative and fun for beginner and returning youth athletes alike. In addition to football fundamentals, the athletes will participate in leadership lessons each day with a focus on developing young leaders on and off the field!

All coaching duties at the Rochester Area Youth Football Camp will be handled by the Century High School Football Coaching staff with assistance from the CHS varsity players, creating a high staff to camper ratio and providing an unmatched experience for the athletes!
